Steering Bearing / 转向轴承

COMPANY PROFILE

2 million

月产量200万件以上
2 million+ monthly output

100+

100多名专业员工
100+ professional employees

100+

100+ 条CNC生产线
100+ CNC production lines

10800+

总建筑面积达10000多平米
10800+ floor area

无锡国聪精密机械有限公司(成立于2015年)专注于为摩托车、自行车和滑板车提供高品质转向轴承。我们以创新设计和严格质量控制为基石,精密工程技术赢得全球信赖。

公司拥有10,800平方米自动化工厂,集成原材料下料、退火、冲压锻造、数控车床机加工、热处理、磨床精加工等全产业链先进自动化设备。106名专业技术人员和自有检测实验室,共同守护符合国际标准的耐用性与安全性。

以客户为中心的解决方案和可持续实践,使我们成为全球OEM首选合作伙伴。“精于运动,工于卓越”--携手我们共同推动转向系统的创新与可靠性。

Wuxi Guocong Precision Machinery Co., Ltd. (established in 2015) is dedicated to providing high-quality steering bearings for motorcycles, bicycles, and scooters. We rely on innovative design and strict quality control as the cornerstone, and our precision engineering technology has won global trust.

The company has a 10800 square meter automated factory that integrates advanced automation equipment for the entire industry chain, including raw material cutting, annealing, stamping and forging, CNC lathe machining, heat treatment, and grinding machine precision machining. 106 professional technicians and our own testing laboratory work together to safeguard durability and safety that meet international standards.

Our customer-centric solutions and sustainable practices make us the preferred OEM partner worldwide. Skilled in sports, skilled in excellence. Working together with us to promote innovation and reliability of steering systems.
